Presforzado - Arthur Nilson. Balladeer Glen Wilson is
an artistically gifted musician and, along with lyricist
and bandmate Sam Goldberg, he writes and performs a
modern swing and blues-rock brand of music that can
be heard on their album “Balladeer.” The group honors
the past while creating a modern sound that creates a
thoroughly engaging work of art. In this video you will
learn how to play a beautiful piece, “One Kind of
Love,” from the band’s new album, “Balladeer,” on
tenor saxophone. Although this particular piece is

written for tenor saxophone, all of Wilson's music is written for saxophone, or bass clarinet, or both. So don't feel constrained to play only this particular tune on tenor. The video takes you step-by-step through how to play the lead, chorus and ensemble parts. You'll learn the song from a variety of different perspectives. You'll hear the various chorus voicings at different lengths, including the famous bluesy harmonized chorus. In the video, Wilson first teaches you the melody and the rhythm, then he goes into the individual parts for each musician. Finally, he works through it with the entire ensemble and plays the section for you to try along with your own version. 4 . I s y p r i m e ? T r u e S u p p o s e - 3 0 = 3da54e8ca3
