Help as it is not.Q: How to see the OSU-Cascades page in the search results? I try to see the OSU-Cascades page in my search results, but I am unable to. I am new to ELU, and I am learning how to find and use useful questions. The reason I am unable to see it is that I've not yet got enough reputation to see these. I found this related question. (It appears that the people who have found the page are: 1) within some countries, and 2) who have at least searched for the page before and not found it. I am not sure about the first.) P.S. I searched some other words in addition to "OSU" and "Cascades" in order to make this post sufficiently useful and not too difficult to find. A: Here is the page: Q: Extending pointer from one struct to another, class vs struct Why doesn't this work when trying to extend a pointer between classes? struct A { int val; }; struct B { int val; }; typedef A* PA; class CN { private: CN(); PA pA; public: PA& getPA() {
